Work History Before Software Development

STATE ATTORNEY'S OFFICE

11/2018 TO PRESENT: SUBPOENA PROCESSING

- Prepared subpoenas to acquire records, and followed up with businesses with no response.
- On promotion to supervisor, trained new personnel and redesigned workflow to eliminate delays

11/2016 TO 11/2018: LEGAL ASSISTANT

- Typed up dictation from attorneys
- Prepared auxiliary legal documents with attention to detail

10/2008 TO 11/2016: DISPATCHER

- Scheduled meetings between officers, attorneys, and third parties
- Answered wide variety of calls from the public with courtesy and efficiency
